## DDC Welcomes New Board Members

FOR IMMEDIATE RELEASE

January 1, 2024

(TESLIN, YUKON) The Board of Directors of Deisleen Development Corporation (DDC) is pleased to announce the appointment of Minnie Clark, Michael Miskell and Len Usher to the Board of Directors and the re-appointment of Board Member Riel Sydney.

These board members bring a diversity of skills, knowledge and experience to our organization and are welcomed as DDC continues our journey to support workforce development, opportunity readiness and the advancement of community development priorities in Teslin.

Established in 2012, Deisleen Development Corporation is a not-for-profit community development organization with a mission to foster strong social, economic, environmental, and culturally sustainable community development opportunities in Teslin.

### QUOTES:

“In 2024, Deisleen Development Corporation will continue to take important steps forward by listening to community we serve and working with our partners to achieve results. The Board of Directors plays an important role to support this effort, and we are excited to welcome Minnie Clark, Michael Miskell, Len Usher and Riel Sydney on this journey.”
